THE GATEWAY FOR QUALITY SPACE

Access at Eastern Gateway is Ipswich's premier industrial and logistics scheme, strategically located directly adjacent to Junction 54 of the A14 and to the west of Ipswich Town Centre.

Connectivity across the East of England has never been better and Ipswich is well placed to suit occupier demands, with the Port of Felixstowe accessible to the east and the national motorway networks to the west.

The scheme has been designed to accommodate enhanced specifications and includes various sustainable initiatives that are of critical importance to our stakeholders. Units are finished to the highest standards and occupiers can expect best-in-class facilities.

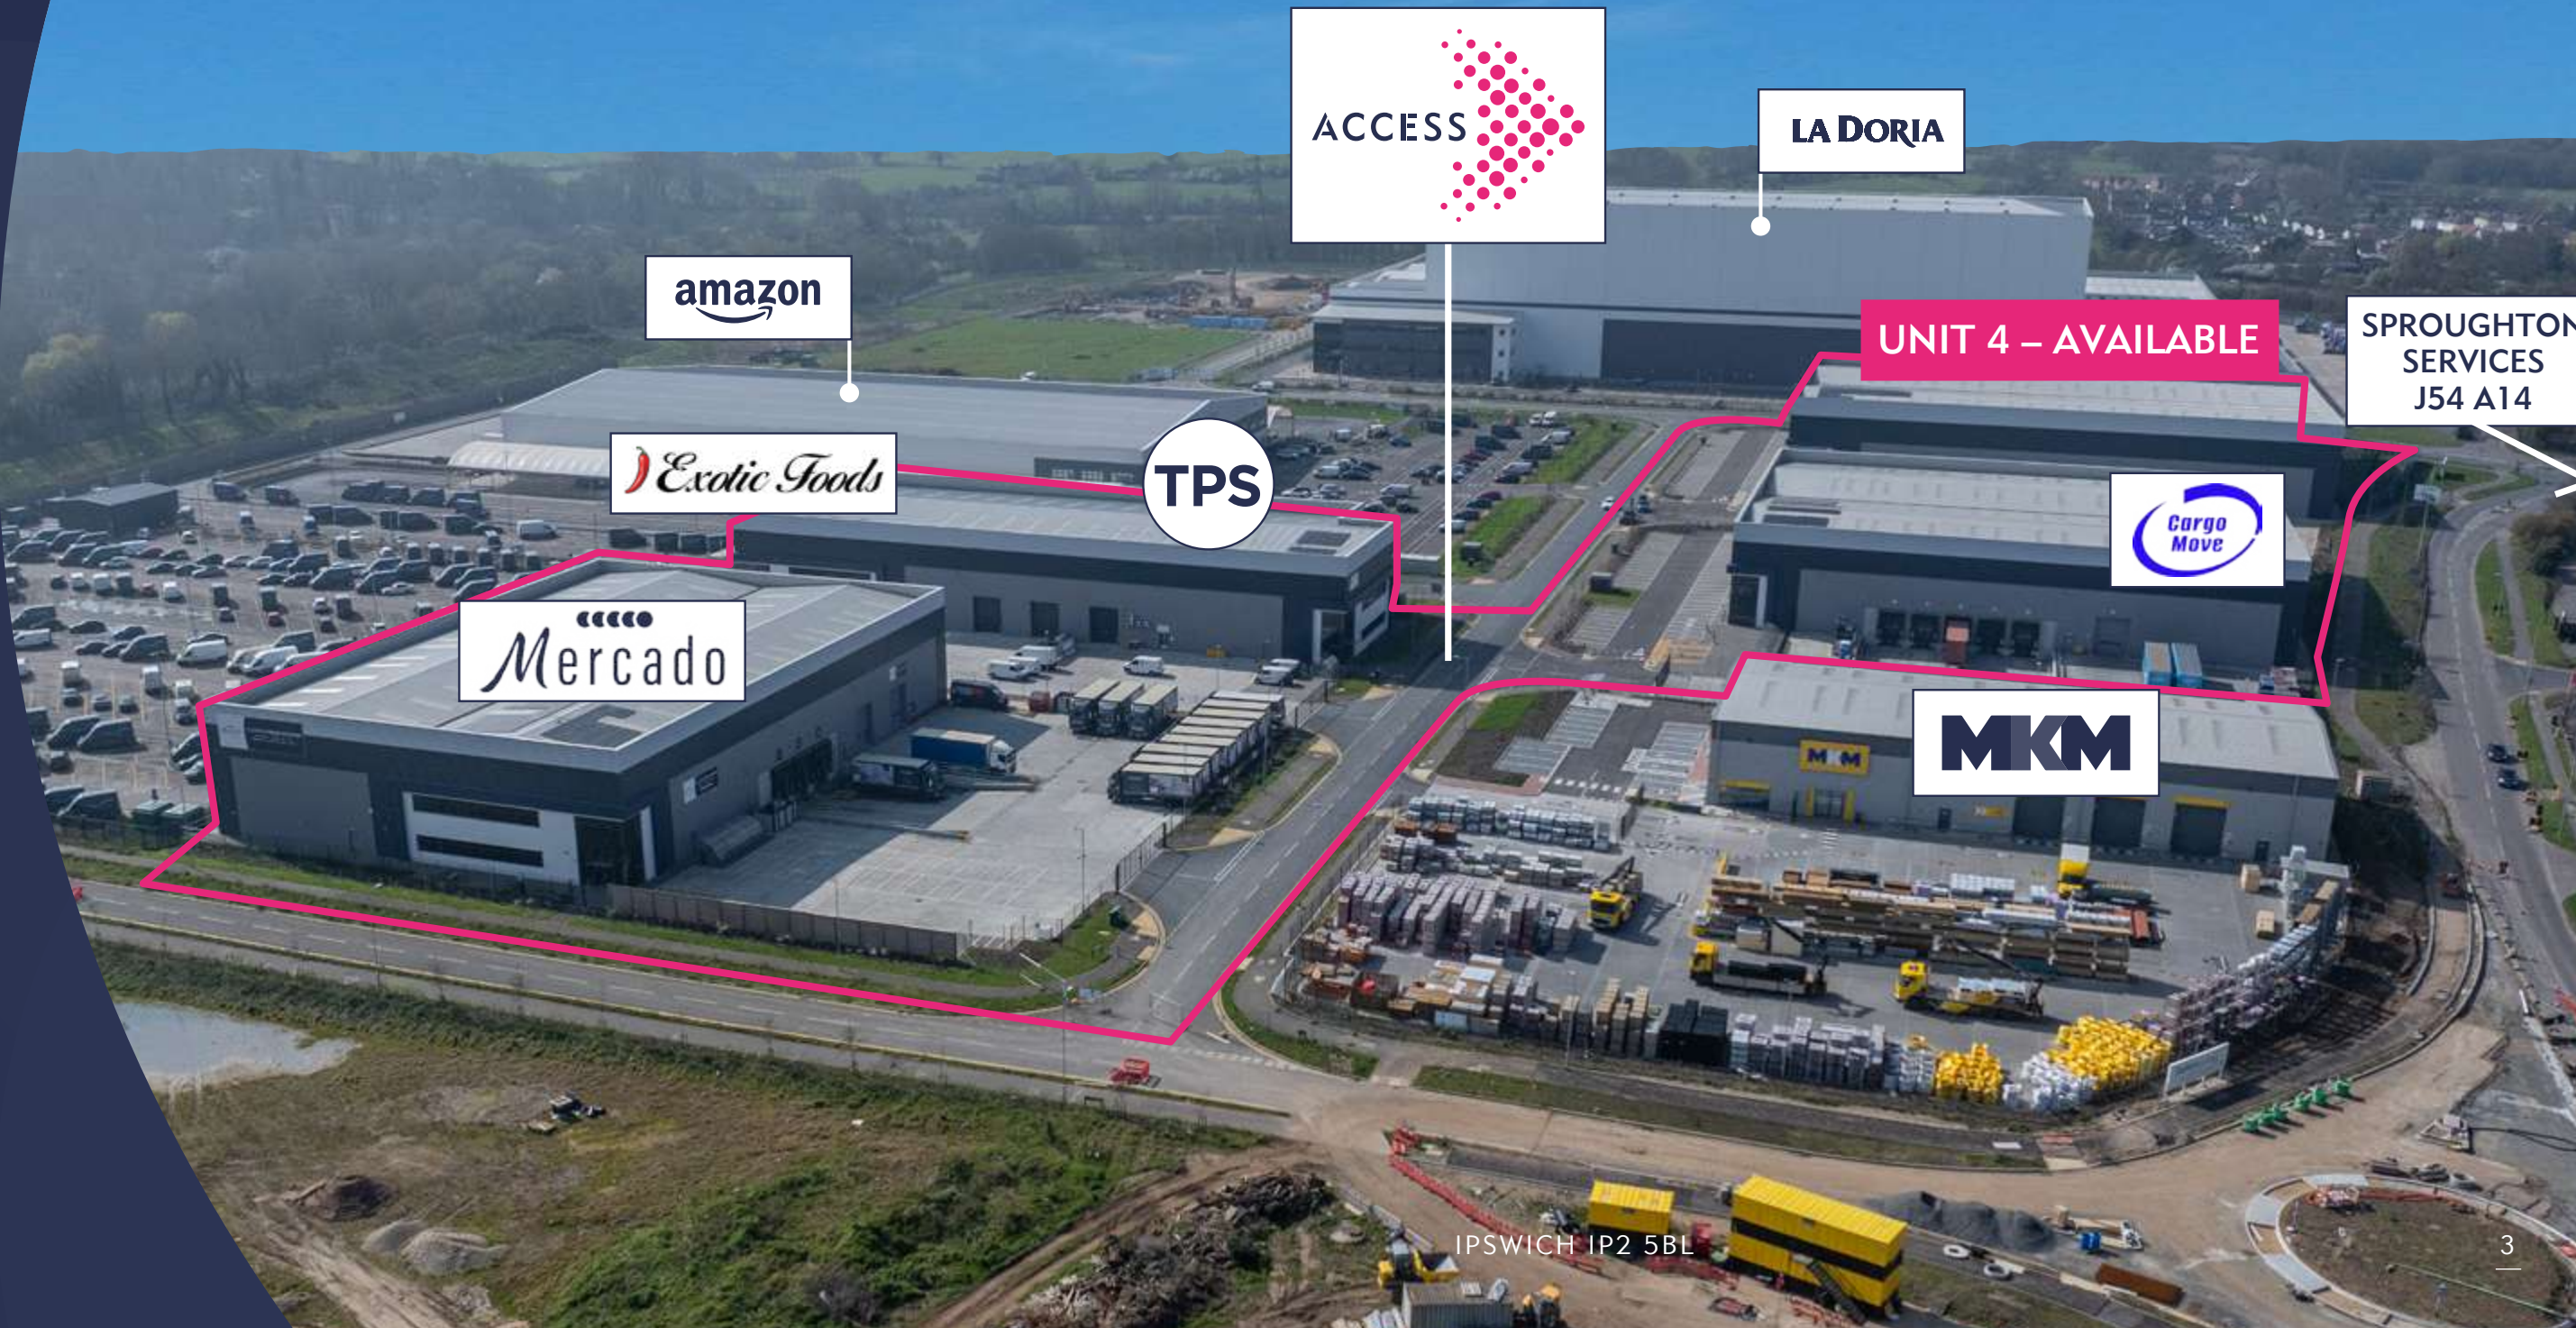

Detailed planning consent was secured in 2023 for this five unit scheme. The unit is ready for immediate occupation.

SIZEWELL C
